## KIDS FISH FOR FUN

### FISHING RULES

#### **PLEASE READ ALL RULES CAREFULLY!**

1. Anglers must be 3 years old to 12 years old and accompanied by parent or guardian. Parents and guardians should watch your children closely. Ponds are deep. Fishing is not allowed from the concrete structures, due to danger of falling. Wading and swimming are prohibited all areas on federal property.
2. A time limit will be enforced so that all children will be given an opportunity to fish. Total time of each group fishing will be determined by total number of participants.
3. Each child is entitled to one stringer with 5 fish. Once the child has caught their limit, please exit from the pond area. There is a 5 fish limit on a single stringer. Upon catching the 5 fish limit, please stop fishing.
4. Anglers must provide their own fishing tackle and bait (fishing for catfish). No minnows please. Please **leave buckets and coolers in your vehicle.**
5. **FISHING EVENT IS FOR THE KIDS!! PARENTS SHOULD ASSIST ONLY WHEN NECESSARY. ADULTS ARE NOT ALLOWED TO FISH.**
4. The total number of registered participants will determine total group size and length of time given to fish. Each group will be given the same amount of total time. All children should report their total catch to registration. Children will then be directed to location of food and prizes.

#### SUGGESTIONS:

Anglers should pay close attention to the person fishing next to you; we do not want anyone to get HURT OR hooked. Anglers are expected to be courteous to one another. Horse play and rude behavior are not allowed. A responsible parent or guardian should remain with child throughout the event in case of an emergency.

Uniformed personnel and volunteers are present to assist you if needed. Please do not hesitate to ask for help.

Please do not litter. Place trash in receptacles.

Thank you for helping us make the Kids Fishing for Fun event a success. We hope to see you again next year.
